

! WARNING !

1. Engaging in any form of parachuting may result in death, injuries, hospitalization, loss of income, and/or imprisonment. To minimize the risks, do not parachute jump.
2. You are ultimately and solely responsible for your own actions. By participating in parachuting, you are accepting the fact that all parachute systems may malfunction even when they are properly designed, built, assembled, packed, maintained, and used. To minimize malfunctions, do not parachute jump.
3. Nitro Rigging LLC is run as non-profit and it does not have any capital, liability insurance, legal protection, or products' warranty. Do not parachute jump.
